MEET INFORMATION

Meet Location: the Assumption HS track facility, the "Assumption Green", is located at 4500 Champions Trace Ln, at the corner of Champions Track and Newburg Rd just south of the I-264. Directions are available at the Assumption HS website (www.ahsrockets.org) under the Athletics link.

Coaches, please share the following information with your parents and athletes:

- **Thursday, April 16 meet:** Facility doors will be open at 5:00pm. Athletes will not be allowed on the track until 5:15pm, and should stay off the turf until 5:30pm unless instructed otherwise by meet management. This is to ensure that the high school teams who may be practicing will have sufficient time to conclude their practice without creating a safety concern. The pole vault pits, long jump pits and high jump pits are restricted areas – athletes, parents, spectators and coaches must stay out of these areas. These areas will be marked with caution tape. The finish line area is also a restricted area, we need coaches, athletes and any spectators to stay out of this area as well.
- **Saturday, May 9 meet:** Facility doors will be open at 9:00am. The pole vault and high jump pits are restricted areas – athletes, parents, spectators and coaches must stay out of these areas. These areas will be marked with caution tape. The finish line area is also a restricted area, we need coaches, athletes and any spectators to stay out of this area as well.

Competitor numbers: we will make every attempt to provide competitor numbers in advance via email, but also at the check-in table (the location of this table will be announced in advance). We will also let coaches know prior the meet how we'll be implementing competitor numbers (i.e. whether we will use bibs or numbers on each athlete's hand).

Coaches Meeting: we will host a brief coaches meeting prior to each meet. The time and location for this meeting will be announced in advance of the meet and 15 minutes prior to the start of each meet.
