Attn: Coach Barry Haworth
Assumption High School Athletics

Louisville, KY 40205

Note: no team will be allowed to compete until they have paid for their entries.

Athletes should run within their division. Athletes may not run up for a higher grade level in any individual event.

ENTRY PORTAL: Coaches submit entries through Milesplit. Instructions are provided at the link below, but if you have questions on the entry process, feel free to contact Coach Barry Haworth at bmhaworth@louisville.edu Due to the expected size of this meet, questions will only be answered via email.

ENTRY PASSWORD: entry into this meet requires a password. You can obtain an entry password from Coach Haworth (via email at bmhaworth@louisville.edu)

ENTRIES: unlimited entries in each event per team.

Note that all athletes on your roster should include a **name, grade and gender**.

Note further that coaches should enter all athletes into the meet who are potentially expected to compete. If you're not sure on an athlete, then enter him/her anyway, because coaches will be allowed to move athletes around on race day (i.e. you won't be restricted to the events where an athlete is entered), but we will not allow coaches to add new athletes on race day – they must already be in the system (i.e. entered into something).

ENTRY DEADLINE: the **entry deadline is 6:00pm on Thursday, March 14** – we cannot accept any entries after this deadline. We also reserve the right to close the meet before the entry deadline if the meet reaches capacity.

RELAYS: relays may consist of athletes from each division, or may consist of athletes from only one division. Given the early nature of this meet, and the likely inability of coaches to practice relays in advance of the meet, we will run the relays as exhibition (nonaward) events.

DIVISIONS: athletes will compete in one of three divisions, K-1st grade (Minis), 2nd-3rd grade (Jrs) or 4th-5th grade (Srs). Each athlete may compete in only one division.

AWARDS: We will be awarding ribbons to the top 10 finishers in each individual event, per division. *There will be no awards in the two relays, and no team awards.*

QUESTIONS: may be submitted via email (only) to Barry Haworth at bmhaworth@louisville.edu
Due to the size of this meet, we can only answer questions via email.

RULES OF COMPETITION:

1. Running events will follow a rolling event schedule that is subject to change if weather conditions dictate.
2. Athletes will receive competitor numbers, and we need coaches to ensure that competitor number worn by each of their athletes match that athlete's assigned competitor number. Athletes wearing another athlete's competitor number must be disqualified (i.e. will not receive an award and will be dropped from results).
3. Athletes should compete in the appropriate division for the duration of the meet (i.e. athletes may not switch divisions during the meet).
4. Long jumpers will receive 3 attempts. Long jump will be conducted cafeteria style/open pit, rather than in flights. We will explain this process at the 1:00 Coaches Meeting.
5. Athletes will report to each event and be assigned to a heat/section at check-in.
6. **Restricted areas** (athletes, parents, spectators and coaches must stay out of these areas):
 - The pole vault pits, long jump pits and high jump pits are restricted areas.
 - The finish line area is a restricted area.
 - The timer's camera area is a restricted area.
7. Team Camps may be set up in the area between the softball field and track stadium bleachers.
8. No food or drinks will be allowed inside the fenced competition area. We will provide water in the area behind the finish line. Coaches are encouraged to help us enforce this rule.
9. We ask athletes, coaches and spectators to properly dispose of their trash and to clean up their area after the meet. This allows us to keep the cost of providing the meet lower. We also ask athletes, coaches and spectators to refrain from bringing gum into the complex.

We are asking that coaches only come inside the fence/gate surrounding the track, and that parents and spectators remain outside the fence/gate surrounding the track.

It is very important that coaches assist us in keeping their athletes, parents and spectators out of our restricted areas. The continuation of this meet will be conditional upon people abiding by this request. I.e., if people begin entering restricted areas, then we will stop the meet.
