SUBMITTING ENTRIES:

ENTRY SUBMISSION: all entries must be submitted through Milesplit

- Questions regarding how to use the Milesplit entry system should be brought to the Kentucky Milesplit webmaster, Chris Hawboldt (*kymilesplit@gmail.com*), who can work with coaches on resolving their entry issues.

ENTRY PASSWORD: all teams must receive permission to enter the meet. Permission to enter is provided when a coach is provided with a meet entry password. Meet entry passwords can be obtained from Coach Barry Haworth (via email at *bmhaworth@louisville.edu*). This password should not be shared with other teams.

ENTRY DEADLINE: the **entry deadline is 6:00pm on Thursday, March 17** – this is a firm deadline, and so we cannot accept any entries once this deadline passes. If the meet reaches capacity prior to the entry deadline, then we reserve the right to close entries before that deadline. If the meet does close early, then we will place remaining teams on a waiting list and invite their entry into the meet if space becomes available.

ENTRIES: teams may submit unlimited entries within each event.

Note that all athletes on your roster should include a **name, grade and gender**.

Only athletes who've been entered in the meet will receive a competitor number, and only athletes with competitor numbers will be allowed to compete.

DIVISIONS: we will have athletes competing in three divisions, K-1st grade (Minis), 2nd-3rd grade (Jrs) or 4th-5th grade (Srs). **Please do not enter individual athletes in multiple divisions**, each athlete should only compete in one division.

RECOMMENDED ENTRY PROCESS: We ask that coaches submit entries that are as close to what will occur on race day as possible. E.g., please do not enter all of your athletes in just one event, knowing that they will compete in other events as well. If you forget to enter an athlete in a particular event, we will still allow that athlete to be added (on race day) to other events – again, assuming that the athlete has been previously entered in at least one event and already has a competitor number. There is no formal (race day) addition process - any athlete being added on race day only needs to report to the start of their event.

4 x 100 RELAYS: all 4 x 100 relay teams should consist of athletes from the same division (i.e. all relay team members should be in the same division).

4 x 400 RELAYS: 4 x 400 relay teams may consist of athletes from different divisions, or may certainly all be from the same division.

RULES OF COMPETITION:

1. Running events will follow a rolling event schedule that is subject to change if weather conditions dictate.
2. Coaches should ensure that the competitor numbers worn by their athletes match the athlete's assigned competitor number. Athletes wearing another athlete's competitor number is subject to disqualification.
3. Athletes should compete only in their appropriate division for the duration of the meet.
4. Long jumpers will receive 3 attempts. Long jump will be conducted cafeteria style/open pit, rather than in flights. We will explain this process at the 1:00 Coaches Meeting.
5. In both the 200 and 400m dash, we will not run Mini (K-1st) and Jr (2nd-3rd) division athletes in lanes. These athletes will utilize a waterfall start. Sr (4th-5th) athletes running the 200 and 400m dash will compete in lanes.
6. Athletes must report to their event when calls are made, and they will then be assigned to a heat/section at check-in.
7. **Restricted areas** (athletes, parents, spectators and coaches must stay out of these areas):
 - The pole vault pits, long jump pits and high jump pits are restricted areas.
 - The finish line area is a restricted area.
 - The timer's camera area is a restricted area.
8. Team Camps may be set up in the area between the softball field and track stadium bleachers.
9. No food or drinks will be allowed inside the fenced competition area. We will provide water in the area behind the finish line. Coaches are encouraged to help us enforce this rule.
10. We ask athletes, coaches and spectators to properly dispose of their trash and to clean up their area after the meet. Athletes, coaches and spectators should not bring gum into the complex.

*We are asking that **only coaches** enter inside the fence/gate surrounding the track, and that parents and spectators remain outside the fence/gate surrounding the track.*

It is very important that coaches assist us in keeping their athletes, parents and spectators out of our restricted areas. The continuation of this meet will be conditional upon people abiding by this request. I.e., if people begin entering restricted areas, then we will stop the meet.
