

# DERBY MIDDLE SCHOOL INVITATIONAL

Sponsored by Assumption High School, Louisville, KY

Friday, March 25, and Saturday, March 26 - at the Assumption Green

---

---

**MEET LOCATION:** the Assumption HS track facility, the *Assumption Green*, is located at 4500 Champions Trace Ln, at the corner of Champions Track and Newburg Rd just south of the I-264. Please email Coach Barry Haworth for directions if you need them.

***Coaches are responsible for reading this meet literature in its entirety.***

*This meet is open to both club and school teams in good standing with meet management.*

Note that ***club teams have specific restrictions placed (only) on their relay team entries.***

*This meet is **only** open to competition involving 6th, 7th and 8th grade athletes. **Younger athletes cannot run up, and athletes below 6th grade will be dropped from the meet.** Coaches are required to monitor their entries and ensure that the correct grade (graduation class) is listed for each athlete.*

## **ENTRY DEADLINE: 11:59pm, Tuesday, March 22**

If the meet reaches capacity prior to the entry deadline, then we reserve the right to close entries before that deadline. If the meet closes early, then we will place teams on a (first come-first listed) waiting list and allow them into the meet if room becomes available. Coaches are encouraged to enter the meet as early as possible.

- **Once the deadline arrives, all entries are final.** No exceptions (this meet is a significant undertaking, and we need sufficient time to seed races, prepare competitor numbers, etc.)
- *Each team's final entry fees is determined by their entries on the day of the entry deadline, and not by the number of athletes who actually participate in the meet.*
- **This meet is for athletes in grades 6, 7 and 8. Athletes below 6th grade will be dropped from the meet when entries close on March 22.** Coaches will be informed of this via email. All athletes must have a grade level listed with their entry. Athletes without a listed grade level risk being dropped from the meet when entries close.

## **ENTRY FEES:**

\$75 for one Boys team (for teams with fewer than 10 boys: \$8 per competitor)

\$75 for one Girls team (for teams with fewer than 10 girls: \$8 per competitor)

Entry fee checks can be mailed in advance (address below) or dropped off at the meet upon arrival. All checks can be made out to Assumption High School.

Coach Barry Haworth  
Assumption High School Athletics  
2170 Tyler Lane  
Louisville, KY 40205

**LATE ENTRY FEES:** we will add a \$50 late charge (per team) if entry fees are not paid by March 31. *If payment is not received in a timely manner after March 31, then your team will not be allowed to participate in future meets.*

## **AWARDS**

**Individual awards** will be given to the top 8 overall finishers in each event.

The **ONLY** exception will be the following:

- **1600 meter run:** only the top 8 finishers in the Friday evening seeded 1600m race will receive awards. Athletes in the unseeded 1600m race on Saturday will not receive awards.
- **Open events:** there are no awards given to the finishers in open events

**Team awards:** there are no team awards.

**ADMISSION:** each day, there will be a \$5 admission fee at the gate for all spectators and nonparticipants (HS Students and Seniors are \$3, MS age and younger children are free)

**TEAM CAMPS:** teams may set up their team camp in the area between the track stadium bleachers and softball field. No team camps may be set up inside the fence bordering the track or in any area of competition (e.g. shot put area or discus area). The softball field (inside the fence) will also be closed. Due to a newly installed irrigation system, we do not allow teams to anchor down their tents with metal stakes, nails, or anything that involves a hardened object being hammered into the ground.

**FOOD and DRINKS:** no food of any kind or drinks other than water will be allowed inside the fence bordering the track. This includes sunflower seeds, candy, gum, etc.

**CONCESSIONS:** concessions will be sold at the meet by the Assumption HS track team. They would appreciate your patronage.

**TRASH:** teams are asked to please deposit any trash, gum, etc., in the appropriate location.

**PETS:** no pets are allowed within the Assumption Green facility.

**TWITTER ACCOUNT:** announcements and info will be provided through our official meet Twitter page: @DerbyMSInv

**QUESTIONS:** may be sent to Coach Barry Haworth **via email (only)** at [bmhaworth@louisville.edu](mailto:bmhaworth@louisville.edu)  
Due to the setup associated with this meet, we will not communicate via phone call or text.

**ENTRY SUBMISSION:** all entries will be submitted through Milesplit ([www.kytrackxc.com](http://www.kytrackxc.com)), and coaches must have a meet entry password in order to submit entries. Interested coaches may contact Coach Barry Haworth via email ([bmhaworth@louisville.edu](mailto:bmhaworth@louisville.edu)) for the meet entry password.

- Entries must be submitted by Tuesday, March 22 at 11:59pm
- Team entries: due to capacity constraints with our facility, entries will be limited to a set number of teams on a first come-first served basis. If we reach this limit prior to our entry deadline of March 22, then the meet will be closed to new team entries. Interested teams who do not get into the meet can be placed on a waiting list, and will be contacted in order of their position on that list if an opening occurs.
- Questions regarding how to use the Milesplit entry system should be brought to the Kentucky Milesplit webmaster, Chris Hawboldt ([kymilesplit@gmail.com](mailto:kymilesplit@gmail.com)), who can work with coaches on resolving these entry issues.
- If you contact us for a meet entry password and choose not to attend the meet, then please contact Coach Barry Haworth ([bmhaworth@louisville.edu](mailto:bmhaworth@louisville.edu)) as soon as possible so that we can properly seed the meet and allow in any teams who may be on the waiting list.
- **When setting up entries:** when coaches first set up their entries, they will be asked to select the divisions where their athletes will compete. There are 2 divisions, an Open Division and an Elite Division. Unless coaches know for sure that they will only compete in one of these divisions, we recommend clicking on both the Open and Elite Division buttons when setting up entries.

**ENTRY GUIDELINES:** when submitting entries, please note the following below.

- **Elite Division entries:** coaches may enter up to 3 athletes per event (please note our policy regarding the entry of Elite Division 100m and 1600m athletes with certain personal bests).
- **Open Division entries:** coaches may enter up to 4 athletes per event
- **Relay entries:** coaches may enter 1 relay team per relay event (Club Coaches: please note our restrictions on relay entries from club teams)
- **Maximum number of events:** athletes may compete in up to 3 individual events across both divisions. This does not include relays. I.e., athletes can compete in 3 elite division events, 3 open division events or some combination of elite and open division events that totals to 3 events overall.
- **On meet day:** coaches cannot add new athletes to an event, but they may substitute one athlete for another athlete, as long as the new athlete has a competitor number. Athletes without a competitor number may not compete in the meet.

**CLUB TEAM RELAYS:** please note the following guidelines for club teams entering relays.

**We do not allow super-relays.** All members of every relay team must attend the same school.

Club team coaches interested in entering relay teams in this meet must do the following for each relay team they submit.

- Prior to the closing of entries, the club coach must submit a list of up to 8 competitors for each relay team entry. For every club team relay entry, we need the name of each competitor, the grade of that competitor (if that athlete is not otherwise competing) and the school where that competitor attends.
- We will verify every club team relay entry. If it is not possible to verify that a specific club team athlete attends the same school as the other relay team members on a specific relay, then we reserve the right to drop that athlete from consideration for that relay. Only verified athletes will be allowed to compete in any relay event.
- **Note:** once the meet begins, club team relay lists cannot be changed (i.e. no additions or substitutions can be made on meet day with any relay list). Again, only athletes verified to compete on a specific club team relay will be allowed to compete on that relay team.

**WHEN ENTERING 100m or 1600m ATHLETES:** we have the following entry policy regarding entries in the Elite Division 100m dash and Elite Division 1600m run.

- **Teams entering athletes with faster personal best times:** athletes hitting one of the standards below can be entered in the 100m or 1600m, i.e. in the race where their personal best is below our standard. This entry may be made in addition to that team's 3 individuals per event limit in that event. These personal best performances must be listed at Milesplit and must be FAT performances (i.e. we will not accept handtimes).. E.g., if a team has a boy listed at Milesplit with a personal best FAT time of 12.40 for the 100m dash, then that team's coach may enter this boy in the Elite Division 100m dash in addition to that team's 3 entries in the Elite Division Boys 100m dash.
- **Individual athletes who meet one of these standards:** we will waive your individual entry fee if you compete in the event where you met that standard. E.g., if you are a boy with a personal best time of 12.40 listed at Milesplit in the 100m dash (FAT performances only), then you may enter the meet and will not pay the individual entry fee if you compete in the 100m dash. Note that you may still compete in up to 2 other individual events.

<b>Elite Division Event:</b>	Boys	Girls
100m dash (FAT)	12.50	13.50
1600m run	5:15.00	5:50.00

- Please contact Coach Barry Haworth about how to submit these additional entries.

## Specific Meet-related guidelines and restrictions

### *Warmup areas:*

**Discus area:** weather permitting, the discus area (grass field just outside the softball field's outfield fence) may be used for warmup on Friday evening only. This area is not open for competition on Saturday, as the discus competition will be held on Saturday.

**Turf field:** the turf field is open for warmup by athletes who are preparing for their event. Note that this area is closed to spectators. Once the meet begins, only competing athletes and designated coaches will be allowed on the turf infield.

*As the meet gets closer, we will announce any additional areas that can be used as a warmup area.*

### *Access-related Restrictions:*

**Track:** this area of competition includes everything inside the fence (this is the area of competition for all running events, high jump, pole vault, long and triple jump)

- *Each team will be issued 2 wristbands for coaches to wear. These wristbands will provide those coaches with access to the area of competition once the meet begins.*
- *When the meet officially begins, an announcement will be made which asks all non-participants to exit the area of competition.*
- *Athletes who are not competing or warming up should stay out of the area of competition until they are ready to begin warming up for their event.*

**Shot Put:** this area of competition will be designated by yellow tape

- No one may enter the area of competition unless their coach is present, or until a shot put official is present (e.g. prior to or after competition concludes, athletes may not practice without a coach or meet official present).

**Discus:** this area of competition is just outside the softball diamond's outfield fence.

- The discus area is closed to all discus practice on Friday, and will be open for running event warmups on this night only. No discus practice will be allowed until Saturday when the area is open for competition.

**Closed areas:** the following areas are closed to access by everyone other than meet officials

- At the close of competition in pole vault, triple jump and high jump, these are closed areas
- The finish line area inside the fence (marked with yellow tape) is a closed area
- The timer's camera area (marked with yellow tape) is a closed area

*It is very important that coaches assist us in keeping their athletes, parents and spectators out of our restricted areas. If any unauthorized individual enters these areas, then we will ask them to leave the area, but will stop the meet if this becomes a problem.*

***Spectator Conduct:*** we have zero tolerance for inappropriate behavior and comments by spectators, athletes and coaches.

If parents or spectators have a concern regarding a meet official (or any assistant of the meet official), then those concerns should be brought directly to the team's coach who can then privately communicate those concerns with the respective meet official or meet manager.

Any individual making comments considered inappropriate by one of our meet officials will risk being removed from the facility by security staff and may ultimately be banned from participating in future meets at our facility. In extreme cases, this ban may be extended to the school associated with that parent or spectator.

## ***RULES OF COMPETITION:***

### **Running events:**

1. **No super-relays.** All relay entries must consist of athletes who attend the same school.
  - *Club team coaches: please read the instructions (above) for your submission of relay entries. Note that these guidelines only affect the submission of club team relay entries.*
  - ***Note:** this rule is consistent with how HS events like New Balance Indoor Nationals and New Balance Outdoor Nationals are conducted.*
2. Hurdle distances and heights are as follows:
  - Boys and Girls 100m hurdle height is 30 inches
  - Boys and Girls 300m hurdle height is 30 inches
3. Running events that do not start in lanes will utilize a waterfall start unless the volume of the field requires that we utilize alleys. Coaches are strongly encouraged to speak with their athletes prior to the meet and discuss this with them.
4. The 4 x 400 meter relay will be run with a two-turn stagger.

### **Field events:**

1. We will conduct horizontal jumps and throws in an open pit format. Athletes must conduct their attempts within the time frame provided (see the meet schedule). The number of attempts in the horizontal jumps and throws will be set prior to the start of the meet and announced.
2. As per NFHS rules, schools entering athletes in the pole vault must have a pole-vault certified coach in attendance at the meet. Information on pole vault certification is provided at the KHSAA website ([khsaa.org](http://khsaa.org)).
3. Coaches are strongly encouraged to ensure that their athletes understand how each field event will be conducted. Athletes should be informed about how an open pit/ring system works and that they should all check in at the start of their field event.
  - **Open Pit/Ring events** (long jump, triple jump, shot put, discus): athletes are not required to stay at the location of these events and may leave one of these field events to participate in another event. In shot put and discus in particular, the athlete is recommended to first inform the meet official at the event but must be sure to return before the end of the open pit/ring period. Coaches: once the long jump, triple jump, shot put and discus are closed, we will not allow late-appearing athletes to compete.
  - **High Jump and Pole Vault:** you must check in to your event at the beginning of competition for your event. Athletes who show up after competition begins may risk not being allowed to

compete. In both of these events, once the bar has been raised to the next height, the bar will not be lowered to a previous height.

- Pole vaulters: prior to competing, you will be asked to verify that your pole is appropriate for your reported weight. Athletes cannot compete with poles that are not appropriate for their weight.

4. Shot Put/Discus: We will provide implements at each throwing event. Unless a competitor can certify that their implement is of the appropriate weight (e.g. some implements have the weight printed on the implement itself), we will ask competitors to use the implements we provide.

- Girls Shot Put is 6 lbs
- Boys Shot Put is 4 kg (note that this is the weight of the HS girls shot put)
- Boys and Girls discus is 1kg (note that this is the weight of the HS girls discus)

### **Participation rules:**

1. Coaches may substitute one athlete for another athlete in any individual event, but only if both athletes have already been assigned a competitor number. We will not allow (late) adds at the meet. In order to conduct a smooth meet, we also ask that coaches report any scratches as soon as possible. Once the meet begins, scratches may be reported to the clerk of the course.

2. All disqualifications are final, but coaches should be aware that we will strive to only disqualify athletes as a last resort and where it is clearly appropriate. E.g., this includes situations where an athlete competes in a laned race, but leaves their lane during the event and impedes another athlete or relay team.

3. Athletes will wear competitor bibs. Any athlete who competes without a competitor number or with an incorrect competitor number is subject to disqualification.

4. **Seeding.** All races with multiple section finals will be seeded as fastest to slowest. Although not required, coaches are strongly encouraged to provide accurate seed/entry marks for their athletes when submitting entries. Seed/entry marks that are clearly incorrect will be changed to NT.

- ***Seeding in the 1600:*** we will verify the entry marks of all entries with the potential to qualify for the Friday night Distance Race of Champions 1600m run. Coaches should be prepared to provide evidence of performance for any athlete who may be potentially seeded into this race. If coaches would like to enter athletes in the 1600, and those athletes are capable of making the Friday evening seeded race, but cannot attend the Friday evening race, then please let us know about this conflict as soon as possible. Those athletes would be placed in the unseeded Saturday 1600m race (note that top finishers in the unseeded race do not receive awards).
- **No seed mark.** athletes entered without marks will be seeded as NT in the slower sections of any seeded final.
