“With anything but a baton” 4 x 100m relay*

** there will be no official entries in this event (i.e. teams do not need to enter athletes in this event in order to compete). Relay teams will be put together at the meet. Each relay team must select an object they can use instead of a baton. These objects can be anything that allows the event to be safely conducted, but athletes are also encouraged to use their imagination with this.*
